Feel Your Pulse.

Watch your pulse for about five minutes. Count the beats while sitting, and then while standing. A healthy pulse beats from sixty to seventy-five times per minute, a little faster while standing than while sitting or lying down. If your pulse beats too fast or too slow, if it is weak or irregular and sometimes skips a beat, your heart is weak or diseased, and you are in danger of heart failure at any moment. Pains about the heart, palpitation, smothering or fainting spells, shortness of breath, inability to sleep on left side, are further evidence of a dangerous condition which demands immediate attention. You have it in your power to overcome heart weakness if you will profit by the experience of others. Mr. S. T. O'Leary, of Arlington, Iowa, says: "I had heart failure and would have spells when I would gasp for breath and become totally blind for the time, often falling unconscious wherever I happened to be standing. It took ten or twelve bottles of Dr. Miles' Heart Cure to restore my heart to a healthy and normal condition."

Dr. Miles' Heart Cure is sold at all druggists on a positive guarantee. Write for free advice and booklet to Dr. Miles Medical Co., Elkhart, Ind.

BY AUTHORITY

REGULATIONS CONCERNING PULMONARY TUBERCULOSIS.

1. Resolved, That the Board of Health do hereby declare Pulmonary Tuberculosis to be communicable and a preventable disease and that all practicing physicians and the Superintendents of all hospitals, sanitariums, dispensaries, asylums, prisons and schools be required to report to the Board of Health all cases of Pulmonary Tuberculosis coming under their care or notice within one week of the time that such cases come to their knowledge and that such physicians and superintendents be also required to notify the Board of Health in case the house or apartments occupied by a person having Pulmonary Tuberculosis should become vacant by reason of the death or removal of the patient.

2. Resolved, That all houses or apartments in which a person having Pulmonary Tuberculosis has lived be disinfecting to the satisfaction of the Board of Health when vacated by reason of the death or removal of the tubercular patient, before being again permitted to be occupied.

Dated at Honolulu, July 11, 1900.

C. B. WOOD,
President Board of Health.

WOULD RESTORE EMPEROR

CHINESE MEET AND ADOPT SET OF RESOLUTIONS.

Appeal to the Powers to Depose Empress Dowager and Restore Kwang Hsu—Some Strong Speeches Made.

Several thousand Chinese assembled on the edge of the burnt district at Hotel and Smith streets Saturday night to hear speeches on the situation in China, and adopted resolutions asking the powers to remove the Empress Dowager and restore the young Emperor to power. Though the meeting was set for 7:30, before dark an immense crowd gathered around the platform. The latter had a large United States flag at one end and the Chinese dragon at the other. It was brightly illuminated. After all the speeches had been made the following resolutions were submitted and adopted by acclamation.

Resolved, That it is the sense of the Chinese residents of Honolulu, Territory of Hawaii, in mass meeting assembled to consider the state of affairs in the Chinese Empire and the attitude of the Great Powers of Europe and of America, that the ultimate good of the Empire and the relations of China to the Nations of the world require, at this juncture, the establishment, in China, of a governing power to the advancement of modern civilization and the peace of the world.

That the freeing of His Majesty the Emperor from the domination of the Empress Dowager, and the restoration to the actual, potential, control of the Empire will guarantee these results. It is therefore further Resolved, That a committee be appointed by this meeting to prepare and forward to the American Ministers at the various Courts of Europe, petitions embodying the sentiments expressed in the foregoing resolution, together with an earnest appeal to such European Powers, directed to the department of foreign affairs, accompanied by a request to such Ministers to present the same through the appropriate diplomatic channels.

Wong Leong was chairman of the meeting; Lam Tang officiated as secretary. Tom Dow was the first speaker. He spoke of the Boxer movement and declared that the Chinese here, as elsewhere, and the Emperor restored to power. C. T. Akana spoke in the same vein. T. Ahung dwelt upon the necessity of reform, and declared vehemently that the Empress Dowager must be deposed. Ng Fawn, Wong How and Wong Shin King were other speakers. The latter offered the resolutions printed above.

Leung Chi-tso was present, but had an inconspicuous seat in the audience. He had declined to speak, though it was plainly evident that the audience expected to hear from him.

A committee of seven was appointed to prepare copies of the resolution to be forwarded to Washington, and to American Ministers at all European capitals.

Rev. Edward H. Thwing, who spent eight years as a missionary in South China, and who is now engaged in work among the Chinese here, was among those at the meeting. He says that one of the things that struck him was the cheering and the patriotic references to the Chinese flag. He says that he has seldom heard Chinese cheer in enthusiasm before, or heard them express sentiments regarding their flag such as western nations hold towards their.

ALTERNATE MAGISTRATE.

PAIA, Maui, July 14.—Makawao district needs an alternate district magistrate. The present district magistrate has been ill for the past ten days and, in consequence, court matters have practically come to a standstill, causing much inconvenience.

GOING TO THE COAST.

PAIA, Maui, July 14.—E. H. Pieper, the Paia merchant, left yesterday for a short trip to the Coast, on a sailing vessel from Kahului.

DANCE AT SPRECKELSVILLE.

PAIA, Maui, July 14.—At Spreckelsville Hall last Saturday evening the young people gave a delightful informal dance, which was well attended.

TRAINS FOR THE VOLCANO.

HILO, July 14.—The through stage service to the volcano has been discontinued. A joint service has been established between the stage line and the Hilo railway. The trains take visitors to the volcano as far as Oiaa mill, and connect with stage from that point.

NO RAIN AT KUKUIHALE.

KUKUIHALE, July 11.—It is very dry here, no rain having fallen in a number of weeks. The wind is strong and clouds of dust fill the air. The plantations have about finished grinding. Planting and plowing are going on. A good deal of planting for the coming crop will be on the profit-sharing plan; whites, Japanese and Portuguese being interested.

NO MORE DANGER FROM PLAGUE.

PAIA, Maui, July 14.—The proprietors of Kahului store have completely renewed the interior of the large building, and at great pains and cost, complied with the strict regulations of the Board of Health. Whatever danger there might have been from plague has, beyond any doubt, been removed. The company is entitled to credit for the liberal way in which they have renovated the entire premises and stock.

AFRAID OF WAIPIO ROAD.

KUKUIHALE, July 11.—The Waipio road drags it perilous path slowly, three men having been killed so far, and laborers do not care, apparently, to work where there is so much danger.

HEAVY EARTHQUAKES.

KUKUIHALE, July 11.—On Tuesday afternoon at 4:45 o'clock, there were two very heavy shocks of earthquake felt. At 8:30 p. m. two explosions which shook the windows and jarred the ground came in quick succession. The sound was like the report of a large blast.

HILO, June 14.—There was a sharp shock of earthquake here last Tuesday night.

EXCLUDED.

At another peace conference England might be tempted to suggest that the kopje be excluded from civilized warfare.—Washington Star.

TOO AFFECTIONATE.

Mr. Macrum insists that the affection between England and America should not be so great as to cause them to open each others letters.—Washington Star.

TARIFF LOGIC.

If the Porto Ricans had understood that they would be plunged into the midst of abstruse tariff logic they might not have been so joyous in welcoming the soldiers.—Washington Star.

A special invitation to everybody to visit Honolulu's most delightful residence site, PACIFIC HEIGHTS.

Via Maxima.

Kafulani Drive—aptly termed, the via Maxima or Grand Boulevard, and in itself an artistic piece of engineering—affords easy access to all points, as also scenic and marine views of exquisite grandeur at every turn.

Electric Railway.

Contracts have been let for material, and the work of construction equipping and installation placed in the hands of a competent electrical engineer to be fully completed by June 1st. Having an independent power plant we are prepared to furnish electric power for lighting, heating and other purposes, to our home builders at most reasonable rates.

As Promised.

Our reservoirs are now completed and water mains laid so as to supply each lot. Permits for making water connections will be granted on application.

An inspection of the attractive homes now building, or the name of purchaser of lots, will convince anyone that PACIFIC HEIGHTS is the choicest and most select of all the residence sites of Honolulu.
